

Lynxee consulting is a French company specialised in regulatory affairs in the field of plant protection products. We offer our clients regulatory and strategic advice, drafting of technical and administrative dossiers, monitoring of GLP and GEP studies and follow-up with the Authorities.

We work on EU and zonal dossiers with a strong knowledge of French requirements.

In order to support our development, we are looking for talented and passionate staff members.

Currently, we are looking for a:

REGISTRATION SPECIALIST (M/F) PLANT PROTECTION PRODUCTS Biological Assessment Dossier (BAD) Scientist

Missions

You will be in charge of Biological Assessment Dossiers (BAD) drafting, labels preparation, GEP testing programs design and coordination and any other activity related to the evaluation of products effectiveness.

Depending on your experience and your motivation, you can also participate in the preparation of administrative and technical dossiers (mutual recognition, extensions of uses *etc*).

Conditions

- ✓ Permanent
- ✓ France - Home based
- ✓ Flexible working hours (full or part time models)
- ✓ Monthly meetings in Lyon
- ✓ Direct contact with clients, Contract Research Organisations, technical institutes...
- ✓ Participation to working groups and conferences
- ✓ A passionate and dynamic team

Profile

- ✓ You are educated to BSc / MSc / Phd level in Biology, Agricultural Science, or another relevant scientific subject
- ✓ You have more than 3 years experience in BAD or GEP trial reports drafting
- ✓ You are fluent in written and spoken English (French is a plus)
- ✓ You have already worked from home or you feel able to do it
- ✓ You like working in a team and independently
- ✓ You work methodically and rigorously
- ✓ You are used to working with ARM and Excel
